Dear Student:

As I write this letter, we are preparing for our Commencement ceremony. This is the most important event we hold on campus each year. It is a day for our students and their families and friends to celebrate their efforts to earn a degree from Morningside College. As I predict each year, the birds will be singing and the sun will be shining. It will be a great day to be connected with Morningside College.

You have certainly demonstrated a high level of achievement during the Spring Term 2011. For those of you who will have graduated, congratulations! The rest of you have made significant progress toward earning a college degree and demonstrated a high level of ability and motivation while you were at it. Well done! As recognition for your outstanding performance, I am pleased to include your name among those which will appear on the Dean's Honor List for the Spring Term, 2011.

Sincerely
